Dear Harold:

I have received your recent letter and want you to know how much I appreciate your taking the time to write. It is most important to me to have your views on current issues and legislative matters.

Your comments on U.S. policy towards Nicaragua were extremely thoughtful. You raised a number of important points to which I will give further thought.

Again, I appreciate your interest and your views. Without them it would be significantly more difficult for me to accurately represent the concerns of Minnesotans in the Senate.

Sincerely,

Dave Durenberger
United States Senator

This is a district form letter not appropriate in response to my last letter to him. I conclude that he wants to knock it off or is unable to respond to what I wrote.
